WORK EXPERIENCE

Clinical psychologist

Certified CBT (Cognitive Behavior Therapist)

01/2015 – Present

This program is a direct contribution in enhancing capacities of field professionals to be able to efficiently deal and manage social challenges. For me personally this opportunity to study cognitive and behavioral therapy more in depth on a three year program means an excellent opportunity to enhance my professional capacities as a psychologist, and become familiar with different methods and approaches used by trainers that will be part of training.

Certified Trainer of Academy Point of you (First level Hello Points)

06/2016

Senior Officer for health and education

Ministry of European Integration, Republic of Kosovo

11/2008 – Present

Ministry for European Integration is a knowledge-based, public institutions with a mission to support Kosovo's, transformation and reforms in its path toward the European Union. One of the pillars of the Ministry is coordinating and monitoring among others sectors public health and educations issues. For about 9 years I coordinate and monitor work between my Ministry and line ministries such as the Ministry of Health and the Ministry of Education and Technology. Among other duties, I am also a member of CCM (Country Coordination Mechanism), fighting TB, HIW and Malaria.

Achievements/Tasks

- National Contact Point to initiate and coordinate EU reforms in 2 chapters of asquis: Chapter 28 Consumer Protection and Public Health Protection

- Member of CCM(Coordinating Committee Mechanism),fighting Malaria,Tuberculosis and HIV,this i part of protection and prevention Public Health .

CERTIFICATES

KIPA certified trainer (06/2016 – 10/2017)

Delivering trainings for civil servants on the topic of Policy Design in the field of European Integration

Certified Trainer for "CBT (Cognitive Behavioral Therapy), from Kosovo Health Foundation (01/2016 – 06/2018)

in cooperation with Israeli CBT association ("ITA"), has facilitate a three-year training program in Cognitive Behavioural Therapy (CBT). CBT is a therapy that encourages the development of concrete, specific goals and has specific, testable techniques. CBT teaches that our thoughts cause our feelings and behaviors, not people, things, or situations. Therefore, the emphasis in CBT is on helping clients identify and correct problematic thoughts that stand in their way of happiness and goal achievement. CBT can be considered as one of the major psychological treatment modalities in the field of psychological medicine.
